

Thank you for becoming a Pinjarra Sponsor!

By becoming a Pinjarra sponsor you are now supporting a local person in need. Each sponsorship you provide will be a huge step in changing this person's life! This sponsorship will pay for a psychology, counselling or coaching appointment along with case worker follow-ups. All of this will be provided, one-on-one, for your sponsored person. We will present you with updates of who you helped and what your support and generosity has done for them. Your sponsored person will be aged 24 and under and will be from your local community.
